$799 Save 250.95
8-Hp Rear Tine Tiller

Reg 1049.95

Rugged, yet easy to operate. Counter rotating Dub-L-Til tines cut back against soil, actually pulling the tiller down and in, giving improved control and eliminating lunging. 23" tines create an upper-cut action, slamming soil up, then back down to churn again. So smooth running, it will operate hands off. Three forward speeds plus single speed reverse. The perfect tiller for the biggest jobs. 087-2760

Save 70.95

5-Hp 28" Rear Engine Riding Mower
